REACHING ENGINEERING AND ARCHITECTURE CAREER HEIGHTS (REACH)

Residential Summer Academy, June 1 - 9, 2007

at the College of Engineering, Architecture, and Technology of Oklahoma State University

(Please print in ink or type)

Dear Teacher:

Reaching Engineering and Architecture Career Heights is a summer academy for high school students who will be juniors or seniors in the Fall of 2007. The program will introduce six engineering disciplines, architecture and technology through the use of academic modules which are designed to stimulate creativity, and be fun. Your frank comments will help us select students who have an interest in, and can benefit from, such an experience. **Please keep the recommendation confidential. Thank you.**

RECOMMENDATION LETTER FOR (STUDENT'S NAME) _____

Your Name _____ Phone Number _____

Subjects Taught _____

Grades Taught _____

School Name and Address _____

<i>Characteristics of your student</i>	Exceptional	Above Average	Average	Below Average	Not able to respond
Enthusiasm for math and/or science					
Maturity level					
Motivation for school work					
Ability to work independently					
Ability to work with others					
Potential for success in a group living situation					
Responsible					
Cooperative					

Please provide written comments about your student on the back of this form. Are there any exceptional or unusual characteristics or circumstances that we should know? Help us get to know your student. Thank you!

The recommendation must be kept confidential. Please place this document in a sealed envelope and sign across the seal. You may then either mail it back to us by **April 20, 2007**, or give it to your student to send with the application materials. Your comments are carefully considered, and are certainly appreciated. If you have any questions, call OSU Engineering Student Services at (405) 744-5276.

Mail to:
